But when there was added the downvard plunge of over 8 points in Colorado Fuel and a sharp decline in Prople's Gas the upward course of prices with which he market opened quickly gave place to realizing. St. Paul's rise of over a point was lost within a few minutes of tradng. St. Louis & San Francisco sagged sack to below last night during the course of the forencon. A few scattered advances at different times during the day groved ineffectual to rouse the market to ectivity. Chicago & Alton and Chicago Terminal Transfer advanced in company on mysterious hints of coming important developments. The rise in Reading seemed to be based on the assumption that the rioting in the mine region and the calling out of troops foreshadowed the Break-up of the strike. The decrease in Colorado Fuel was attributed to the fact that the company's books close today for the stockholders' meeting, so that new purchases would not carry voting ower for the meeting. The quick subsidence of the execitecent andshrdiuF.n. sidence of the excitement which broke ut in the market yesterday when the St. Louis & San Francisco and Chicago & Eastern Illinois were reported to have onsolidated were primarily due to the incortainty over the actual fact. All perons interested were exceedingly relicent and doubts were aroused to the real consummation of the project. Furthermore, supposing the project to be achieved, there will be disappointments involved. It is a matter of public notoriety that Ilinols Central has recently made an of fer designed to secure control of Chicago & Eastern Illinois. The advance in St Louis & Sanu Francisco for the past week the "important system." pointed at and destined for inclusion in the new Rock island company. The fact that the new project points to strengthened competition and is thus calculated to aruse antagonism makes it similar to any of the recent financial projects talked off, and marks their departure from the much iscussed community of interest policy which was to parcel out harmoniously the whole railroad territory amongst the var
